No problem Jim.
Hoping your meeting with the truckers has the desired effect of resolving this blockade.

Just bad timing. Nothing there that isn't true. I'm just waiting to meet with these guys for the first time. Makes it more difficult on my end. I know you have to do what you are doing. Just wish it had come on some other day.
Thanks for getting back to me.

Jim

Just reread the press release again. Is there a part of it that makes you unhappy? Or that she did it? From your CBC interview, probably picked up that David Gray and I think a lot of people can't understand why the authorities don't do more about the illegal actions taking place.
Sorry this is all going on to you, Coutts and wish for some imminent resolution.

Joe, not happy with Rachel's press release. Going to talk with these guys soon. This doesn't help me. Oh well, we'll carry on!
